

# Gulhane Journal of Medical History and Medical Ethics

## Author Submission Guidelines and Writing Rules

- 1.** *Gulhane Journal of Medical History and Medical Ethics* is a periodically published, international (being developed as) scientific journal including scientific research, reviews, scientific analysis, and biography and monographs in the fields of history of medicine, medical law, medical ethics, moral philosophy, medical deontology, military medicine, health ethics and sociology of health, and bioethics.
- 2.** *Gulhane Journal of Medical History and Medical Ethics* is published as three issue a year on March, July and November and a volume is completed with three issues. **3.** Archiving: All articles published in the journal are compiled in the archives of the “Milli Kütüphane | National Library of Turkey” in accordance with legal obligations.
- 4.** *Gulhane Journal of Medical History and Medical Ethics* is an open access international journal and no fee is charged to the authors during the process of article acceptance, evaluation and publication.
- 5.** Editorial Board Members: <https://gulhanetttd.com/1/6.editorial.board.members.pdf>
- 6.** Email address for contact: [gulhane.ttted@gmail.com](mailto:gulhane.ttted@gmail.com)
- 7.** Each submission will be reviewed by independent peer reviewers who are experts in their Fields. The names of referees and article authors who evaluate the article are kept confidential. The Editorial Board may make changes and corrections on the text of the manuscript without prejudice to the scientific content of the manuscript.
- 8.** All submissions are screened by a similarity detection software (*iThenticate*). In the event of alleged or suspected research misconduct, e.g., plagiarism, citation manipulation, and data falsification/fabrication, the Editorial Board will follow and act in accordance with COPE guidelines.
- 9.** Authors should upload Copyright Transfer Form and Author Contribution and Approval Forms to the online article system during the first submission. Author Contribution and Approval Form is a signed approval document stating the scientific contributions and responsibilities of the authors and the absence of any potential conflicts of interest and submit the manuscript together with the application documents.
- 10.** Authors should declare and sign in the Author Contribution and Approval Form that the manuscript submitted is original, has not been previously published in another journal or accepted for publication and is not in the process of evaluation.
- 11.** When submitting a revised version of a paper, the author must submit a detailed “Response to the reviewers” that states point by point how each issue (must write in a different color)

raised by the reviewers has been covered and where it can be found (each reviewer's comment, followed by the author's reply and line numbers where the changes have been made) as well as an annotated copy of the main document.

**12.** All authors should be declare that the manuscript is original, has not been published elsewhere, and is not under evaluation for publication; and should be declare that I am not in a current or potential conflict of interest with any pharmaceutical company, biomedical device manufacturing company, or companies whose products and services may or may be related to the subject of the article. All authors are obliged to provide retractions or corrections of mistakes. All authors have significantly contributed to the research or other article forms.

**13.** Accepted manuscripts are copy-edited for grammar, punctuation, and format. A PDF proof of the accepted manuscript is sent to the corresponding author and their publication approval is requested within 3 days of their receipt of the proof.

**14.** Statements or opinions expressed in the manuscripts published in *Gulhane Journal of Medical History and Medical Ethics* reflect the views of the author(s) and not the opinions of the publication owner, editor and the editorial board. *Gulhane Journal of Medical History and Medical Ethics*, the publication owner, the editor and the editorial board disclaim any responsibility or liability for such materials.
